Sponsorship Opportunities

The Global SME Finance Forum 2016

The Global SME Finance Forum is an annual gathering of senior leaders from financial institutions, development finance institutions, non-bank investors (angel investors and venture capitalists), fintech companies, policymakers and regulators that promote access to finance for small and medium enterprises. The event will take place in Beijing, China.

The two-day program aims to:

- Highlight good practice examples in financing SMEs from financial institutions around the world,
- Showcase cutting edge, emerging financial technologies and innovations, and
- Address crucial policy and regulatory frameworks

This event is organized by the SME Finance Forum, which works to expand access to finance for small and medium businesses. The Forum operates a global membership network that brings together financial institutions, technology companies, and development finance institutions to share knowledge, spur innovation, and promote the growth of

SMEs. Created by the G20 in 2012, the Forum is managed by the International Finance Corporation (IFC).

200 million businesses worldwide need financing to invest, grow and create new jobs.

What our Sponsors Say

"The conference helped promote IBK to government officials and peer financial institutions all over the world. It gave us an opportunity to interact and share knowledge with peers, whom we might not have otherwise met under the same roof." - **Industrial Bank of Korea (IBK)**

"The Global SME Finance Forum was a great opportunity for Verde International to share our message and develop critical relationships with experts on SME finance. We look forward to being a sponsor again for the 2016 Global Forum." - **Verde International**
